

Rest in Peace, American Patriot!

From JoAnn Fleming, our Executive Director:

“Grassroots America urges its family of faith to pray without ceasing. Pray for the grieving family of Justice Scalia and for the state of our nation.

With the passing of Justice Antonin Scalia, **liberty is in the balance**. An activist appointment to the US Supreme Court will send this nation in a direction from which we may never recover.

Several recent activist rulings of the US Supreme Court demonstrate how close we are to utter judicial tyranny. With a Congress unwilling and seemingly incapable of assuming its rightful Constitutional role to rein in a lawless President and activist federal judges, **our nation approaches a Constitutional crisis of epic proportions**.

This is a very grave time in our nation. **Providence is speaking**. Are ‘We the People’ listening?”

2 Corinthians 1:3-4

On Twitter: Senator Ted Cruz... “Justice Scalia was an American hero. We owe it to him & the Nation for the Senate to ensure that the next President names his replacement.”

Cruz issues statement on Supreme Justice Antonin Scalia's passing

HOUSTON, Texas -- Presidential candidate Ted Cruz issued the following statement regarding the passing of United States Supreme Court Justice Antonin Scalia:

"Today our Nation mourns the loss of one of the greatest Justices in history - Justice Antonin Scalia. A champion of our liberties and a stalwart defender of the Constitution, he will go down as one of the few Justices who single-handedly changed the course of legal history.

As liberals and conservatives alike would agree, through his powerful and persuasive opinions, Justice Scalia fundamentally changed how courts interpret the Constitution and statutes, returning the focus to the original meaning of the text after decades of judicial activism. And he authored some of the most important decisions ever, including *District of Columbia v. Heller*, which recognized our fundamental right under the Second Amendment to keep and bear arms.

He was an unrelenting defender of religious liberty, free speech, federalism, the constitutional separation of powers, and private property rights. All liberty-loving Americans should be in mourning.

Justice Scalia's three decades on the Court was one of President Reagan's most consequential legacies. Our prayers are with his beloved wife Maureen, their nine children, and their precious grandchildren."
