Good morning:

Attached is a copy of the CC Agenda for July 8, 2014. If you have time today, please review it for edits, amendments, and the like. I've placed a hard copy in Adrienne's office so she can perform her due diligence on it as well. Thank you for all you do, and I hope today is just a wonderful precursor to an even more glorious holiday weekend.

Best regards,  
Nicole Edwards
