Good evening Judge,

Attached is the ATS School Zone Agreement we discussed yesterday and which addresses the questions you had. Specifically please note Section 9.1 addresses indemnification, and Exhibit B, Section 1.1 addresses the commitment for speed trailers.

Since I know it is important to you to have this ready by Tuesday if possible, please feel free to communicate directly with Jim Grace, copied here, with any questions on specific language or provisions in the Agreement. I am happy continue to be involved as you need me.

All the best,

Joey
