

## Political Action Committee

Political advertising paid for by  
Grassroots America – We the People PAC

Our leadership spends **hundreds of hours** interviewing and background-checking candidates. Our mission is to recommend the very best candidates for each office – those with the highest standards of character and integrity, those who possess the highest skills to do the job for which they are running, and those who are truly conservative. We hope this voter guide will help you make an informed decision as you cast your vote.

**JoAnn Fleming, Executive Director, Grassroots America**
