Speak out on illegals flooding our border, human trafficking, securing elections, medical freedom & other SERIOUS issues. Help shape 2025 state legislation!

Prop 1 | Texas should eliminate all property taxes without increasing Texans' overall tax burden. **YES** (a state income tax is already banned by our state constitution)

Prop 2 | Texas should create a Border Protection Unit and deploy additional state law enforcement and military forces, to seal the border, to use physical force to prevent illegal entry and trafficking, and to deport illegal aliens to Mexico or their nations of origin. **YES** (over 9 million illegals have entered since Biden took office)

Prop 3 | The Texas Legislature should require the use of E-Verify by all employers in Texas to **protect jobs for legal workers** by preventing the hiring of illegal aliens. **YES**

Prop 4 | The Texas Legislature should end all subsidies and public services, including in-state college tuition and enrollment in public schools, for illegal aliens. **YES**

Prop 5 | Texas urges the United States Congress not to grant any form of amnesty or a pathway to legalization for illegal aliens. **YES** (no rewarding lawlessness)

Prop 6 | The Texas Legislature should prohibit the deployment of the Texas National Guard to a foreign conflict unless Congress first formally declares war. **YES**

Prop 7 | The Texas Legislature should establish authority within the Texas State Comptroller's office to administer access to gold and silver through the Texas Bullion Depository for use as legal tender. **YES** (makes gold & silver easily spendable)

Prop 8 | The State of Texas should ensure that Texans are free to give or to withhold consent for any vaccine without coercion. **YES** (informed consent over force!)

Prop 9 | The Republican Party of Texas should restrict voting in the Republican primary to only registered Republicans. **YES** (stop Democrats from helping Rinos win!)

Prop 10 | The Texas Constitution should be amended to restore authority to the Texas Attorney General to prosecute election crimes. **YES** (George Soros-bought DAs won't)

Prop 11 | Texas parents and guardians should have the right to select schools, whether public or private, for their children, and the funding should follow the student. **YES**

Prop 12 | The Texas Constitution should be amended to **require proof of citizenship** before any individual can be registered to vote. **YES** (should already be required!)

Prop 13 | Texas should ban the sale of Texas land to citizens, governments, and entities from China, Iran, North Korea, and Russia. **YES** (The Republican-led State Affairs Committee Chair killed this "security" bill in the 2023 legislative session!)
