

RESOLUTION TO STOP Federal Government
Overreach in Texas Higher Education

Category: Education:

Subcategory: Higher Education

WHEREAS: States have a constitutional right to govern their Higher Education Institutions without the overreach of the Federal Government. Texas Public Institutions should prohibit over 10% funding of Federal programs in Texas colleges, universities and Texas education government programs.

WHEREAS: The Federal Government has drastic influence over the ideological direction of Texas Higher Education Institutions through Federally funded education programs such as financial aid and research grants.

THEREFORE BE IT RESOLVED THAT: We call for an audit of all Federally funded programs in Higher Education Institutions.

BE IT FURTHER RESOLVED THAT: Federally funded programs in Texas Higher Education Institutions shall have a limit of 10% total institution budget funding.
